

Pre-test Questionnaire

Thank you in advance for participating in the study! We would like you to answer a series of questions that will be incredibly useful as we strive to better understand the factors behind how people apply information to solve problems like those posed in this study. Completing this questionnaire will take about 15 to 20 minutes. The information you provide will be kept confidential and treated as anonymous. If you have any questions or concerns about what you are being asked, please contact the study moderator.
